# Scouting's Journey to Excellence

## 2018 Troop Performance Recognition Program

Journey to Excellence uses a balanced approach to measure performance. Below provides specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. The troop may qualify by meeting a specific standard or by showing improvement.

Planning and Budget Measures	
1	The troop has a program plan that incorporates elements of Duty to God and Come Follow Me, and a budget that is reviewed at all troop committee meetings, and the troop follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form and any other publication that the council has developed for fundraising and fiscal management. A meeting is held with youth leaders where they are involved in developing the plan for the next program year. The Troop program plan is shared with the Unit Commissioner (Stake Young Men's Presidency).
Membership Measures	
2	<b>Bronze – All LDS boys are automatically registered.</b> Silver – Have a written plan to recruit any non-member or inactive boys using the Peer-To-Peer program provided by the BSA Council. Gold – Recruit at least one non-member or inactive boy using Peer-to-Peer.
3	<b>Bronze -All LDS boys are automatically registered each year.</b> Silver - Earn Bronze plus annual re-chartering is completed on time. Gold – Earn Silver plus MLS reports are updated to the council quarterly.
4	Hold at least two activities with the EYO patrol and have a parent coordinator to help with the parent's transition to Boy Scouting.
Program Measures	
5	Total number of Boy Scouts advancing at least one rank (Scout, Tenderfoot, Second Class, First Class, Star, Life, Eagle, Palm) since your last charter renewal date. Include all boys who participated in the program during the year. Advancements are awarded as soon as possible, at least within one week to one month after earning; Courts of Honor recognize all achievements during the previous period. Advancements must be recorded using the Internet Advancement programs at <a href="https://scoutnet.scouting.org/IADV/ui/home/default.aspx">https://scoutnet.scouting.org/IADV/ui/home/default.aspx</a> .
6	Conduct short-term (at least one overnight) campouts throughout the year. Each campout should include a youth led Duty to God campfire reflection.
7	Number of Boy Scouts who attend any in-council or out-of-council long-term summer camp (of at least five nights), high-adventure experience, or jamboree, or serve on camp staff within the past year, divided by the Boy Scout membership on June 30, 2018. Youth attending long-term specialty camps such as NYLT or STEM are also counted. Should include youth led campfire reflections. Long term (3 nights or more) activities are reported to the District (or Stake) by whatever means the District (or Stake) has provided.
8	The troop participates in service projects during the year and reports them to the District through Round Table or District web site. The projects may be completed as joint projects with other organizations. Service hours must be reported to the national Service Hours web site at <a href="https://servicehours.scouting.org">https://servicehours.scouting.org</a> , or reported to the Stake/District through whatever means they provide. <b>(Consider a focus on Duty to Country by/thru participation in patriotic events, flag retirement ceremonies and setup for voting events)</b>
9	The troop is separated into patrols and each patrol has an elected patrol leader. If the troop has more than one patrol, there is an elected senior patrol leader. If the troop has more than one patrol, the PLC meets at least four times each year. The troop holds patrol leader training each year, and youth have the opportunity to participate in advanced training.
Volunteer Leadership Measures	
10	The troop has a Scoutmaster, an assistant, and a committee of at least three members. <b>Ideally, the chartered organization representative should not be dual registered as one of the committee members.</b> The troop conducts courts of honor where youth are recognized and program plans are shared with parents.
11	Scoutmaster and assistants have had an orientation and have completed youth protection training. Scoutmaster and 60% of the assistants have completed position-specific training or, if new, will complete within three months of joining. Two-thirds of active committee members have completed Troop Committee Challenge. For Gold, one leader must have completed advanced training of at least 5 days or more (Wood Badge, Summit, or Philmont) at some point in their Scouting tenure.

Scoring the troop's performance: To determine the troop's performance level, you will use the above information to determine the points earned for each of the 11 criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning at least 520 points in at least 8 criteria, Silver level requires earning points in at least 8 criteria and 750 points, and Gold level requires earning points in at least 8 criteria, **meeting at least bronze standards in either short or long-term camping**, and 1,000 total points.
